

**WHITEHALL TOWNSHIP
CURBING/SIDEWALK DEFERRAL REQUEST**

MEMORANDUM

**TO: ALL APPLICANTS REQUESTING CURBING
AND/OR SIDEWALK DEFERRALS**

Whitehall Township Codified Ordinances authorizes the Board of Commissioners to consider requests for deferrals from property owners regarding the required installation of curbing and/or sidewalks. The Board may grant such relief where they have determined that:

1. The character of the neighborhood is such that the installation of sidewalks would not service *any* public purpose: or
2. Where unique physical circumstances make the installation of sidewalks an undue hardship, and the absence of this installation would not materially affect the public safety and convenience.
3. Where the property abuts a State, Federal or local roadway and said installation would adversely affect the drainage patterns or facilities presently in existence.

In granting a deferral, the Board may attach such reasonable conditions and safeguards as it deems necessary to protect the public safety and convenience, including the requirement that a bond be posted where appropriate. No deferrals will be granted for modifications required under the Federal Fair Housing or Americans With Disabilities Acts.

To assure that the Board has all the information necessary to consider your request, you must address the above issue(s), and complete the attached deferral request in its entirety, and provide any and all such information which would be helpful to the Board in making such a decision.

Once received by the Township, an Ordinance will be prepared, and placed on the next available Board of Commissioners meeting agenda for consideration. You, or an authorized representative, must attend these meetings to present your request.

Remember, this is your request, and therefore it is important that you provide as much input as possible to help the Board in making their decision.
