## Whitehall Township Environmental Advisory Council (EAC)

### **Our Mission**

Partner with Whitehall Township Officials, Community Leaders, and Residents to promote environmental conservation

### **Our Meetings**

#### **Everyone is Welcome**

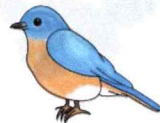

Third Thursday of the month  
at the

Whitehall Township  
Municipal Building  
Public Meeting Room,  
3219 MacArthur Road  
6:30 to 8:00 PM

## What We Do

- ❖ Educate Whitehall officials and residents about environmental impact issues through the township newsletter, social media (Facebook), and community outreach.
- ❖ Provide stewardship for the Whitehall Parkway and open spaces throughout the township.
- ❖ Organize community litter clean-ups and E-recycling events.
- ❖ Educate school-age children on the wonders of nature and protection for future enjoyment.

- ❖ **Bird Town PA Committee:** Support wild birds through municipal actions, community engagement, habitat protection, and restoration with like-minded organizations.

- ❖ **Shade Tree Committee:** Promotes sustainable Street Tree management, by advocating native species use in existing neighborhoods, new residential, and commercial development.
