2024 Outlook- Whitehall Township EAC

- Deliver new programs for children and adults in conjunction with the Whitehall Library
- Advocate for sustainable practices in Township processes and purchases
- Partner with local scouts on signage and maps for Whitehall Parkway
- Offer new community events partnering with Parks and Recreation
- Continue litter clean-ups and introduce "Litter Hawks" program
- Encourage new membership from high school and colleges with new social media and projects
- If Department of Conservation and Natural Resources (DCNR) grant is received, execute on 10 year strategic plan for Whitehall Parkway

We Want You!!

The EAC has openings for alternate members and associate members for high school and college students
