

BIRD TOWN PENNSYLVANIA

Mission

Bird Town Pennsylvania works in partnership with local municipalities and like-minded organizations to promote community-based conservation actions to create a healthier, more sustainable environment for birds, wildlife, and people.

What is the Bird Town Pennsylvania Program?

Bird Town Pennsylvania is an all-volunteer organization that provides a network and resources for municipal leaders and residents to create healthier ecological spaces where they live, learn, and work. Everyone can become an effective steward by creating more sustainable habitat for wildlife and humans alike.
